tournament online and also hanging out on Zoom. Better work on your poker face! The Zoom call opens at 8:00pm for registration and poker lessons and the game will start as soon as everyone is checked in.

Game Flow All players will start with the same number of chips.

Players will have an additional number of chips that can be used to re-enter the tournament one time if knocked out during a set rebuy period or added to their stacks if not needed for re-entry once the rebuy period has ended. Players knocked out after the rebuy period are out of the tournament. They will have the option to stay and observe their table or any of the other tables. They may also participate in a 2nd Chance Tournament. The dealer will explain their options and help facilitate any moves.

A special Zoom link will be sent via email to all poker players within 48hrs of the event.

Event Day

On the day of, each player will need **TWO browser windows open**

One for **Zoom** and one for the **poker website**

You can use the same computer or add a second device if you prefer. A Tournament Director will meet you on Zoom to assist in opening the second window and registering for the tournament. There will also be a professional poker dealer on every table, so don't worry if you have not played online before. They are there to help.
